

You're invited to join the Board of Directors at Community Home Trust!

If you...

- are looking for a unique volunteer leadership opportunity,
- want to ensure other people in your community have access to a home like yours,
- enjoy planning and strategic thinking, and
- are curious to learn more about housing affordability in our community

...then we'd love to have you apply to join our Board!

Our Board is made up of 15 volunteers: five Community Home Trust homeowners or renters, five elected officials, and five community members. The Board guides financial decisions, sets strategic priorities, helps raise funds for the organization, and supports the Executive Director.

This current opportunity is only available to Community Home Trust homeowners and renters. All board members are required to attend four to six meetings per year as well as our annual membership meeting (meetings are currently being held virtually). Board terms expire after three years.

If you want to learn more or find out how to apply, contact Executive Director Kimberly Sanchez at ksanchez@communityhometrust.org by August 20.
