## Heart-Shaped Pizza

### Ingredients:

- 1 pound prepared pizza dough
- 1/2 cup pizza sauce
- 3/4 cup shredded mozzarella cheese
- 1/4 cup shredded Parmesan cheese
- 1/4 cup crumbled cooked sausage
- 1/4 cup pepperoni slices, or as needed

### Directions

Allow dough to come to room temperature, about 30 minutes.

Preheat the oven to 450 degrees F (230 degrees C).

Divide the dough into 2 unequal pieces. One piece of dough should be smaller. Take the larger piece and press out into a square shape. Take the smaller piece and roll into a circle. Cut the circle in half.

Take a teaspoon of oil and brush a pizza stone. Position the dough square on the pizza stone with one point of the square pointing down.

Position the straight side of a dough half circle along the upper left edge of the square. Place the other half circle along the upper right edge of the square. Press seams together to join.

Spread pizza sauce over dough to 1/2-inch from the edge. Top pizza with shredded cheese, sausage and pepperoni.

Bake in the preheated oven until cheese is melted and crust is golden, 17 to 19 minutes. Let rest 3 minutes before slicing.

- **Eat at home.** Cooking fresh meals for your family is likely cheaper than dining out.
